

# New Infant Formulas Coming Soon!

The WIC program promotes breast milk as the best nutrition for babies and provides services to support breastfeeding mothers

## Alternate Contract Formulas Offered by the Idaho WIC Program

Beginning **March 1, 2019** WIC will provide **Similac Sensitive**, **Similac for Spit-Up** and **Similac Total Comfort**

A Medical Documentation Form must be completed in order to receive these formulas. Please visit with your healthcare provider to determine if one of these formulas is right for your baby.

To assist participants with this change, WIC staff will provide education to help transition infants to the appropriate formula.

A list of eligible medical infant formulas can be found on the WIC website in the *Formula Handbook*: [www.wic.dhw.idaho.gov](http://www.wic.dhw.idaho.gov).

For questions or concerns, please contact your local WIC clinic.
