

cordially invites you to attend a live virtual education presentation:

Weed to Know: Cannabis in Pregnancy & Human Milk

Presented by:

Maureen Shogan, MN RNC

National Institute on Drug Abuse Project

Shogan & Associates, Spokane, WA

Learning Objectives:

1. Differentiate the action of cannabinoids Tetrahydrocannabinol (THC) and Cannabidiol (CBD).
2. Discuss counseling scripts for parents who use cannabis while pregnant or breastfeeding
3. Describe potential outcomes of pre and postnatal cannabis ingestion on pregnancy and infants.
4. Relate current research that supports professional organization recommendations regarding cannabis use and breastfeeding.

Date: Tuesday, May 17, 2022

Time: 6:30 PM MT Login, 7:00 PM MT Presentation
